

# Groupage cargo – economical and reliable

24plus Standard – the core service of 24plus logistics network – stands for high reliability and efficient control in the groupage cargo business. 24plus operates Europe-wide with a two level forwarding network with direct links between the individual partners and hub links.

24plus Standard is the right choice for all shipments that are not time-critical.

#### Including Full Performance!

- High reliability through efficient control of traffic and handling operations
- Complete coverage through Europe-wide co-op network
- Standard runtime 24/48 h
- Barcode-based shipment processing using SSCC Identcode
- Tracking and tracing of the relevant interfaces in the transport chain
- Electronic customer integration
